Alternatively, scroll to the bottom of the each page and select **Save as Draft** at least every 25 minutes. It is a requirement of PRODA that the portal times-out after 30 minutes of inactivity.

Tip 2 – Ensure that you that you have prepared any relevant supporting documents for attachment in the portal. Please note that there is an attachment limit of 10MB per document and any documents attached cannot be removed.

Tip 3 – You will need to complete **all mandatory fields** (marked with an *), otherwise the system will not allow you to submit the form.

Tip 4 – Ensure that you have the **right access** to complete the Reportable Incidents form. You will need to be registered as either the **Provider Authorised RI Approver** or the **Provider Authorised RI Notifier**. Please review the [Quick reference guide - getting access to NDIS Portal](#) to ensure you understand the responsibilities of each role and how to set up/ change these within your organisation.
